The Redding Town Clerk is making searching easier. By making records available online, you can now search wherever you have the Internet, 24 hours a day, 7 days a week—even during major holidays. Search from your office, from your home, or even from the beach. Search at your convenience.

Search For Records Wherever You Are

This is why more and more Connecticut towns are joining the Connecticut Town Clerks Portal, including the Town of Redding.

We recently joined the Connecticut Town Clerks Portal. So, next time you are in another town clerk's office doing a search, ask them if they are joining the portal too.
