

As of February 2011, we have created a new before school childcare program called **“Delayed Opening Childcare”** that will be similar to our old Breakfast Club except it **will meet only on delayed openings for 1 hour and 10 minutes prior to the RES start time.**

Examples: 90 minute delay – our program meets from 8:30 – 9:40
2 hour delay – our program meets from 9:00 – 10:10
2.5 hour delay – our program meets 9:30 – 10:40

Children in K -4th can catch up on their homework, play with all the Extended Day toys and games or simply have a relaxing card game or conversation with the supervisor, Sarah Ewud-Kilburn (also known as “Mrs. E”). Children may also bring their breakfast but please understand that we have no kitchen facilities. Mrs. E will escort children to RES lobby for the “opening bell.” Sign up soon because you never know when we will have a delayed opening! Space is limited and pre-registration is a must!
